XXXVII Jornadas de Economía Industrial

7-8 September, Bilbao, Spain

http://asesec.org/jornadas_economia_industrial

The **Department of Economic Analysis** of the **Faculty of Economics and Business** of the **University of the Basque Country (UPV/EHU)** is delighted to host the **XXXVII Jornadas de Economía Industrial**, to be held in **Bilbao, Spain, on 7-8 September 2023**.

The *Jornadas* is an annual international meeting of researchers in Industrial Economics organized by the Spanish Economic Association (AEE)'s Committee on Industrial Economics. Since 1985, the meeting provides a forum for researchers to discuss their work in progress, share ideas and network.

We welcome submissions of high-quality papers – both empirical and theoretical – in Industrial Organization and related fields. Authors may submit more than one paper, but only one accepted paper can be presented. All papers must be written in English, and submitted as PDF files with a maximum size of 3MB via the online submission platform available at:

<http://editorialexpress.com/conference/JEI2023/>

The **deadline** for paper submissions is **May 14th, 2023**. Authors will be notified on their papers' status by **June 5th, 2023**.

Important: To be included in the final conference program, authors of accepted papers should register by **July 16th, 2023**. As it is traditional at the *Jornadas*, presenters should be willing to act as discussants of a paper at the conference.

Conference Program

The *Jornadas* conference program consists of contributed and invited sessions. All papers in the contributed sessions have a discussant. We are pleased to announce the invited speakers for 2023.
